

IMAGINE!

An indoor field-size artificial surface
where you and your team
can practice and play field sports,
such as soccer, lacrosse and football,
all year round!

A local ice arena
where you and your team
can practice and play hockey
without having to work around
somebody else's schedule!

A collection of outdoor fields
where you and your team
can practice and play field sports
such as soccer, lacrosse and football
all spring, summer and fall!

A multi-use sports facility
available to all, locally, year-round!

Now imagine it right here in your community!

We do. Come join us.

Please help us in our efforts to build a community asset
for year-round sports activities by young and old by
making a tax-deductible donation made payable to:

Chautauqua Multi-Use Organizing Committee, Inc.
P.O. Box 724, Dunkirk, NY 14063

Your generosity will help to improve the quality of life
locally in the Chadwick Bay Region - our home.

Chautauqua Multi-Use Sports Facility

Who?

A small group of community-minded individuals enthusiastic about sports and interested in enhancing the well-being of the youth athletic programs in the community have joined together for this project.

What?

According to our mission, it is our plan:

“To establish, operate, and maintain an indoor hockey rink, indoor turf fields and other sports-related facilities within Chautauqua County and Chadwick Bay Region for use by its residents”.

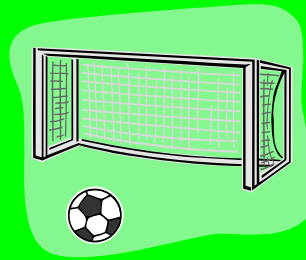

Where?

Our plan is to locate this facility in the Chadwick Bay Region somewhere convenient to the communities in the region and somewhere easily accessible from the Dunkirk-Fredonia exit of the NYS Thruway.

When?

We are following a step-by-step plan for the completion of this project that depends upon the amount and timing of the support from the communities involved.

There are several ways for individuals, businesses and governments to get involved from the spreading of the good word about this project to the donating of time and money.

How?

Through a joint effort of community members, businesses and governments this facility will be built in phases, managed by a professional manager and operated through the support and efforts of community volunteers.

Why?

Primarily, this project is being undertaken to provide the youth of our communities with a clean and safe place to gather and become involved in athletic programs.

A secondary goal of this facility is to attract sports enthusiasts (and their wallets) from the tri-state region and Ontario who will visit the region to participate in tournaments and other events

This facility will have both a social and economic impact on our communities.

Come Join Us!

You are invited to attend any of our regular board meetings held at **7:00 p.m.** on the **second Wednesday** of each month in the:

North County Conference Facility
JCC North County Center
10807 Bennett Road, Dunkirk, NY.
