

Press Release January 25, 2009

The Chautauqua Multi-Use Organizing Committee's Board of Directors held their Annual Meeting on January 14 and elected the following officers: Don Horton, President; Ned Divine, Vice-President; and Karen Davis, Secretary. They have a vacancy for Treasurer and are recruiting someone with a financial/accounting background to manage the bank account, work on revisions to the business plan, head up the Finance Committee, as well as to complete annual tax returns for the organization.

The Board meets the 2nd Wednesday of each month and is currently looking for new General Board Members as well as a Treasurer. Anyone interested in getting involved can contact Horton at 716-640-7457 or dhorton625@roadrunner.com. Additional information is available on their web site at www.cmusf.com.

The group is attempting to build a sports complex in Northern Chautauqua County and is presently seeking partners to help finance the facility, estimated to cost \$4-6 Million. A Partnership Facilitator will be appointed soon and a meeting of all the potential partners/key users, will be held in February. It is hoped that one or more of these invited groups will step up and commit to being a financial partner to help finance the construction of a new sports facility.
